FROM THE GENERAL MANAGER

- At the January 18 2024 board meeting we discussed Surface Water Supply Projects for 2024. Landowners with connections are encouraged to utilize TID for Replenishment water when the 2024 irrigation season begins.
 - Other Key Topics involved the ETS GSA-
 - Multi Benefit Land Repurposing Grant - service agreements with team partners are ready for board approval. An RFP to hire a consultant to manage the development of the plan will be released next week.
 - Proposition 218 Update - A public workshop was held December 14, 9:30 a.m. – 11:30 a.m. to present the proposed assessment for ETSGSA. There was a great turnout, with tremendous discussion.
 - There was a workshop January 10 in Snelling for non-irrigated landowners. They had additional questions about fees. There was also a good turnout and lots of discussion.
 - The Engineer’s Report will be on the agenda for approval at the January 25 ETSGSA Board meeting and if approved the Ballots will be mailed the last week in January.
 - Find out more about the GSA at <https://www.turlockgroundwater.org>
- If you want to receive agendas for Eastside Water District and the ETS GSA and other

Do you have questions about your Prop 218 Ballot? The ballot will go out in the mail around February 1st.

Get answers at the February 15 and March 21 Eastside Water District Board Meetings. 9 am, Cortez Hall.

Help us save every drop of Replenishment Water!!

WATER REPLENISHMENT PROJECTS

Eastside Water District has a Replenishment Water Project along the Highline Canal.

Eastside Water District is offering this program again this year.

The cost of the water is also covered by Eastside Water District

Landowners with connections are encouraged to utilize TID for Replenishment water when the 2024 irrigation season begins. They submitted their TID Water Use bill to Eastside Water District and **the bill will be paid in full by the EWD**. To find out how you can participate, contact Sarah Woolf, at 559-341-0174 or email her at sarahwoolf@me.com.

The district has an application available online at www.eastsidewaterdistrict.com, or you can request an application from staff.

Regional and local water agencies have been making necessary investments in California's water systems for decades. We need to continue modernizing and investing in our water infrastructure to adapt to California's changing climate and growing population.
