FROM THE GENERAL MANAGER

- At the March 21, 2024 board meeting we continued to discuss Surface Water Supply Projects for 2024. 2 projects have started and are in the beginning phases. If you have a project, please contact Sarah Woolf, 559-341-0174 or sarahwoolf@me.com. Landowners with connections are encouraged to utilize TID for Replenishment Water when the 2024 irrigation season begins.
 - Eastside Water District has a board vacancy. If you are interested in serving on the board, please contact Karen Whipp at kareneastsidewater@att.net.
 - Other Key Topics involved the ETS GSA-
 - Multi Benefit Land Repurposing Grant - The GSA board will vote on a contract to hire a consultant to manage the development of the plan at its March 28th board meeting.
 - GSA Proposition 218 Update – Over 30% of the ballots have been returned. The public hearing and ballot count is 9 am, April 2nd at Cortez Hall.
 - The GSA board will vote on a contract with a company to develop a full-scale Groundwater Use Portal for Landowners at its March 28th board meeting.
 - Find out more about the GSA at <https://www.turlockgroundwater.org>
- If you want to receive agendas for Eastside Water District and the ETS GSA and other updates, email Karen Whipp at kareneastsidewater@att.net. to be added to the list.

Did you know?
In the late 1700s California missions began to irrigate crops for their own consumption.

WATER REPLENISHMENT PROJECTS

Eastside Water District has a Replenishment Water Project along the Highline Canal. Eastside Water District is offering this program again this year. **The cost of the water is also covered by Eastside Water District.**

Landowners with connections are encouraged to utilize TID for Replenishment water when the 2024 irrigation season begins. They can submit their TID Water Use bill to Eastside Water District and **the bill will be paid in full by the EWD**. To find out how you can participate, contact Sarah Woolf, at 559-341-0174 or email her at sarahwoolf@me.com.

*Did you know?
99% of the nation's
Walnut supply is grown in
California!*
