

## Eastside Water District

### Notice to Eastside Water District (EWD) Landowners Regarding the **\$40.32 Per-Acre Capital Charge** for Irrigated Lands

- \* Last year there was not a Diffused Surface Water Project (DSWP) Per-Acre **Capital** Charge. This year is the **final** Capital Charge for Irrigated Lands and **the end** of the Prop 218 Water Charges for Eastside Water District. The **\$2** per-acre fee **will remain**. Below is a breakdown of the fees for 2025-2026.
- \* **For Irrigated Lands:** You will see the **\$40.32** Per-Acre **final** Capital Charge, the **\$10.67** Per-Acre **final** Maintenance charge, the **\$5.34** Per-Acre **final** Groundwater Sustainability Agency charge, and the **\$2.00** Per-Acre General fund charge on your 2025-2026 tax bill.
- \* **For Non-Irrigated Lands:** You will see the **\$5.34** Per-Acre **final** Groundwater Sustainability Agency charge and the **\$2.00** Per-Acre General Fund charge on your 2025-2026 tax bill.
- \* In 2026-2027 you will be assessed by the East Turlock Subbasin (ETS) GSA fees for Irrigated and Non-Irrigated lands.

If you have water or SGMA questions, or would like to discuss current projects in the District, please contact EWD's General Manager, Sarah Woolf at 559.341.0174 or email her at [sarahwoolf@me.com](mailto:sarahwoolf@me.com).
